1 Immediately upon opening this excel workbook you must, "Save as" and name the workbook and save it in a folder in Explorer. (Workplan folder is recommended)
Please name your workbook with your assignment number followed by "w".
Assignment 122906 should be saved as: 122906w.xls

2 Delete all folders at the bottom of the excel workbook that are **not your assignment**
Click on a tab for **another** assignment
pull down the "Edit" menu and click on "Delete Sheet"
Click "OK"
Click on the next assignment that is **not yours** and follow the same instructions until you have deleted all of the sheets except for your own assignment

* You may only enter information in a maximum of two columns (usually only one)

3 Explination of Columns
Column B - Plan Sug SKU's - These are the SKU's the computer suggested you should need for this account
Column C - Winston December Changes - This is the revised SKU count you entered in December
* Column D - Changes ONLY! - This is your last chance to change the number of displays each account needs and will accept at one time from their VAP wholesaler. Only enter a number if it is a change from Column D.
If there is no change, LEAVE BLANK
* Column L - Revised VAP Wholesaler # - If it has changes enter new number

4 This spreadsheet must be returned to the ROU no later than **May 7th.**
All sheets must be e-mailed to: Decker, Joseph G. (no snail mail or fax)

If you have any questions, contact your manager, Rory O'Rourke or Margaret Sullivan
